

Peterborough New Horizons Bands

Dear Potential Advertiser,

I would like to take this opportunity to tell you how Peterborough New Horizons Bands have helped me in retirement and in aging.

For years, I played a drum kit in various local groups – from blues to jazz to Dixieland. I played “intuitively”, knowing the feel, sound, tempo and rhythms just from experience. I learned that playing music is a very social experience.

With a bit of money left me by an old family friend, I was able to purchase a used double (acoustic, stand-up) bass, and really *learn music*. I have had this lovely instrument for over 10 years.

I went to a New Horizons band spring concert years ago, and enjoyed it so much, I approached Sal Castiglione, one of the conductors, to ask if he thought a double bass would fit. He absolutely welcomed me.

Since then, I have learned to read music, play music, and engage in playing some amazing arrangements, particularly with an offshoot band known as “Swing Set” – we play classical swing music that has great melodies and rhythms and where my bass sets the bottom line along with drums and piano. (We are happy to play out at events, by the way)

But, on top of this, I have taken up learning percussion and now play timpani (kettle drums) and other percussion instruments in the bigger orchestra. It is fantastic!

The point is, 5 New Horizons bands help over 200 seniors continue to learn, to socialize, to connect, and to enjoy. There is no question in my mind, as a physician, that learning and playing music defers onset of senility and possibly dementia. Quality of life is much improved, and we have had some amazingly excellent elderly musicians just hang in and play for years.

Your donations by advertising and supporting this group plays a huge role in the well-being of Peterborough and its surrounding communities.

Thank you!

Tom Bell MD
