Peterborough New Horizons Band

Who Are We?

PNHB (est. 2002) is based on a program developed at the Eastman School of Music in Rochester, N.Y. Today, there are 187 New Horizons bands throughout the U.S., Canada, Australia, Ireland and the Netherlands.

The goal is to “create an entry point to group music-making for adult beginners and a comfortable re-entry point for adults who played music in school and would like to resume after long years of building careers and raising children.”

Dr. Roy Ernst, New Horizons Founder

What Happens?

PNHB has several adult concert bands. Beginners start in the Green Band. Those who have played before may begin in one of the other concert bands according to their ability. Band members can also join an Ensemble which are smaller groups that focus on specific styles of music. Bands perform at concerts and some Ensembles perform at various venues.
